“Be a rainbow in someone else’s cloud.”

Dr Maya Angelou

Dear Parents and Carers,

I once again continue to be impressed by the engagement from the children of Oare in their learning. It is impressive to see what the children have been working on at home and we are witnessing true resilience when things get hard. Well done to the children for keeping going.

The VE day celebration pictures were fabulous and you clearly enjoyed a wonderful day of sunshine and celebrations. The class blogs are beginning to become lively places, with the children engaging well with each other and sharing what they have been getting up.

As you will be aware, we are being told to address the Government’s ambition for re-opening schools Year R, Yr 1 and Yr 6. The staff at Oare are actively preparing for this right now in conjunction with the trust. As soon as we can, we will send our plan to you explaining how we will approach this but please bear with us as we formulate what this will look following all the guidance given.

In terms of reaching out to the year groups who will remain at home remote learning, we will continue to support these pupils through Seesaw and would please encourage you to ensure that your child is engaged with this platform and uploading regularly. This will help us to continue to support them through this time.

Next week is Mental Health Awareness Week with a focus on Kindness. This links strongly with our value this term of compassion and of course, the need for all of our mental health to be good at this time. We will be actively recognising this throughout the week, so do watch out on Seesaw for small challenges and resources linked to this theme.

Learning grids and weekly letters from class teachers are now uploaded for next week on Seesaw.

School will be closed for half term from Monday 25th - Friday 29th May and there will no work set by class teachers.

I do hope you enjoy the sunshine this weekend - it is set to be beautiful.

With very kindest wishes,

Gudrun Osborn  
Principal

## **Birthday Congratulations this week to:**

Robbie

## **Free School Meals**

Families entitled to free school meals are receiving electronic vouchers. If your circumstances have changed and you think you may now be entitled to free school meals, we would encourage you to apply to Wiltshire Council:
