Oare Primary  
School PTA x

Next Year we would love some extra help and some new ideas! We would like to allocate each year group with a Parent Class Rep that will represent their child's year group and come up with an idea for an event they would like to organise with other parents from their year group. This could be a fundraising event a social event or both for example; one year group could be in charge of Frozen Fridays or the Christmas Raffle, or a Bake Sale.

Please come forward to be a Class Rep for your year group you will have the support of the PTA in running any event you decide on!

Please email [admin@oare.excalibur.org.uk](mailto:admin@oare.excalibur.org.uk) or let Mrs Allsop know that you would like to take this position on. We would love to hear from you!
